## Educating

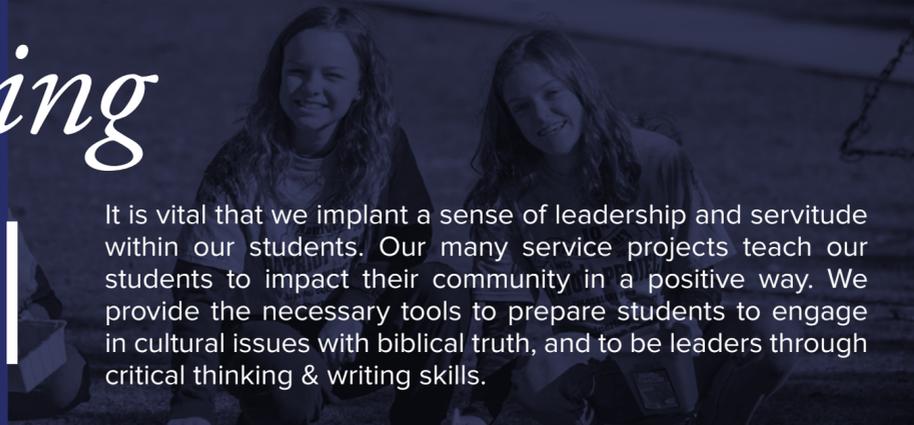

Our certified Christian educators will love, pray for, and serve your student, while providing a challenging and accelerated curriculum. Our students have a reputation for excellence in academic competitions, and graduate with a college preparatory diploma. Over the last four years we have had 9 National Merit Scholars and all graduates had an average ACT composite score of 27.5.

## Equipping

We provide an engaging curriculum committed to Biblical Truth. Scripture is integrated in each course and daily Bible classes are offered every year. Our weekly chapel experiences and Christ-centered curriculum equip students to defend their Biblical worldview.

## Influencing

It is vital that we implant a sense of leadership and servitude within our students. Our many service projects teach our students to impact their community in a positive way. We provide the necessary tools to prepare students to engage in cultural issues with biblical truth, and to be leaders through critical thinking & writing skills.

*There has never been a more exciting time to be part of the SWCS family...*

### A NOTE FROM THE Headmaster

There has never been a more exciting time to be part of the SWCS family. My wife and I have been blessed to experience the impact of Southwest Covenant in our children's lives. Our new elementary facility provides more families the opportunity to give their children an education that incorporates God's truth. This commitment to Christian education prepares students academically and spiritually to influence the world for Christ.

Academically, SWCS has proven to be one of Oklahoma's finest educational institutions. Our growing extracurricular opportunities have earned Southwest Covenant accolades in athletics and fine arts. However, it is our commitment to a Biblical worldview that makes Southwest Covenant Schools an outstanding educational choice.

STEVE LESSMAN

# Expanding Our Vision

New facilities provide more opportunities for those seeking a Christian education.

Safe rooms demonstrate our commitment to a safe environment for all of our students.

More than a school, SWCS is a growing family committed to one another.

*or call to schedule a tour of our campus*

As a discipleship ministry, Southwest Covenant partners with families who share a commitment to Christ and a Biblical worldview. Our accelerated academics require student testing to determine grade placement. Developmental testing provides early childhood educational placement, preparing students for success.
